Scholarship application

The museum has a limited scholarship funding. We ask that applicants pay half the total fee. If this is not possible, please provide a detailed explanation in the special circumstances section at the bottom right of the form.

This application should be completed by the child’s parent or guardian. Incomplete applications will not be considered.

Scholarship applications must be received by Tuesday, June 1, 2010.

1. Tell us about the need.
   Answer both questions.
   • Is the child eligible to participate in the free or reduced-cost school lunch program?    Yes    No
   • Do you qualify for food, housing, or unemployment assistance from the government?    Yes    No
   If you answered “no” to both questions, describe other circumstances.

2. Describe your child’s interest in science.
   How will participating in the summer camp program benefit your child?

3. Tell us how much you are requesting.
   Scholarship applicants are asked to pay half the cost, if possible.
